Quiz 4

Roll number: BSSE-24025

1. **Describe the steps you followed to complete and upload the assignment 1 on GitHub, starting from receiving the assignment link.**

10

1. Click on the link that was sent to you.
2. It will lead you to a new webpage of Github.
3. Click on the button 'Code' on that tab and clone that repository.
4. Open Github Desktop and click on 'Show in Explorer'.
5. Open Cygwin terminal and enter cd and then drag that folder to the terminal.
6. After that, write 'make run' on the terminal and the assignment's questions will show up.
7. Solve them and enter the correct option.
8. Then ~~go~~ in Github Desktop, select answers.txt in the changes tab.
9. In the summary, write 'Assignment Done' and the commit to main.
10. At the end, click on 'Push to origin' button and your assignment will be submitted.
