Quiz 9 **Roll number:** Solution

Write a program, to print a grid of asterisks (*) based on user input size. Make sure to validate the user input for a positive integer using do while loop.

Expected output:

```
Enter the size of the grid: 4
****
****
****
****
```

```
# include <iostream>
using namespace std;
int main() {
    int num;
    do {
        cout << "Enter the size of the grid : ";
        cin >> num;
    } while (num < 1);

    for (int i=1 ; i<=num ; i++) {
        for (int j=1 ; j<=num ; j++) {
            cout << "*";
        }
        cout << endl;
    }
    return 0;
}
```
